

Great-Walls™ Velcro Ready™ Setup:

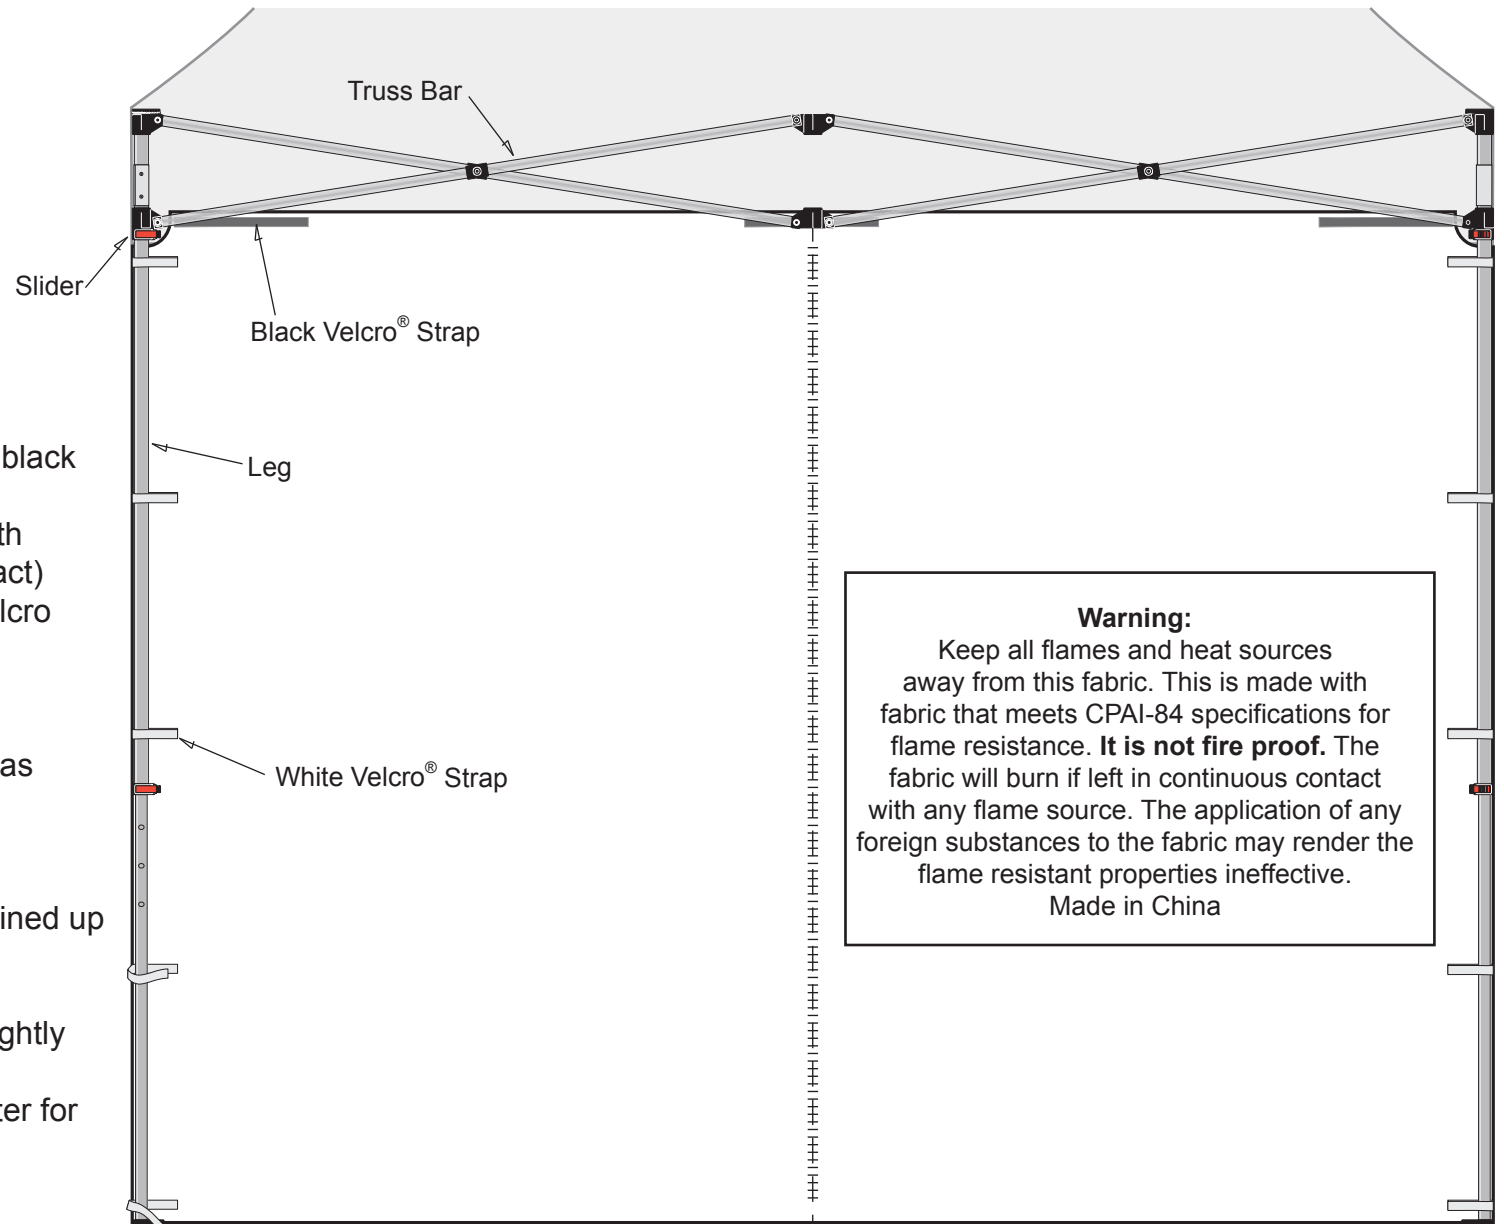

- Starting with one wall locate the three black Velcro strips, this is the top of the wall.
- Attach the middle black Velcro strip with center valance Velcro strip. (lineup exact)
- Now attach left and right wall black Velcro strips to valance.
- Wrap white Velcro strips around each corner leg.
- Repeat for each wall and zip together as needed.

Note:

- Center black velcro strips must all be lined up exact for proper fit.
- One Wall includes a zipper entrance.
- For easier attachment position legs slightly inward.
- Use mild soap (not detergent) and water for cleaning, let dry completely.

Warnings:

- Always anchor securely.
- Do not leave unattended.
- Moisture can pocket causing damage.
